

What is the Red Door Society?

Each year, Gilda's Club Delaware Valley depends on the generosity of individuals and corporations to keep our red door open.

With over a hundred free activities offered each month for adults, children and teens, sustainable income is needed to insure that our program is free and accessible to all who need it.

The Red Door Society was established to provide a vehicle for donors to help us reach our financial goals. Donors who become members of this group can pledge their support for multiple years at a level they feel comfortable.

Established giving levels include:

Building Hope: \$1,000 per year for 5 years

Building Support: \$10,000 per year for 5 years

Building Community: \$25,000 per year for 5 years

We also can meet with donors to establish a giving plan that most closely meets their giving requests.

Each year, we host a free Fundraising Breakfast where new and current donors can hear more information about our mission, accomplishments and future plans.

For more information about the breakfast or to make a reservation, please contact Kelly Harris, VP of Program and Funds development at 215-441-3290, ext. 107 or Kelly@gildasclubdelval.org
